

This brochure covers the Historic Residential District of Smithville in it's "riding" tour and, on the other side, Main Street for a nice walking tour with corresponding numbers in the building window. Filled with facts regarding the buildings and uses of an earlier time, it's well worth getting a copy.

The brochure was first created in a collaborative effort of the Smithville Heritage Society, the Smithville Area Chamber of Commerce, The Smithville Times, franLan Multimedia, volunteers and the Texas Brazos Trail.

Copies may be found at the Smithville Area Chamber of Commerce, Main St. & First St.; The Smithville Times, 303 Main; and at various downtown merchants.
